

Davis County Commission

Dear Friends of Davis County,

The **2018 Davis County Commissioners' Cup Golf Tournament** will be here before we know it! This year's tournament will be played at our beautiful Davis Park Golf Course. It will be a lot of fun with a lot of prizes! We also cater to the true golf enthusiasts who focus on the competitive side of golf. There is something for everyone!

All of the proceeds of this tournament go to youth charities that impact our Davis County young people. These charities include alcohol-free graduation parties for our high school seniors, investments in our young people with disabilities, special art projects, summer literacy programs and more. This support would not be available without you!

We look forward to working again with our long-time sponsors and invite others to join us as sponsors going forward. Key sponsorship packages usually go quickly, so we encourage you not to wait. Enclosed you will find information on the sponsorship levels and all of the logistical details.

Please take a look at your calendars and your budgets, and commit to join us. We look forward to spending time with you on a beautiful summer day, surrounded by green trees and grass and cool breezes!

If you have any questions and/or special requests, please contact Neka Roundy at 801 451-3282.

See you on the course!
